<b>Current Status of Work Products</b>	<p>The CQM Committee is up-to-date on its goal to provide feedback to IOU CQM Program Updates, which is an ongoing agenda item. They are also current on supporting the CQM Standard 180 User Guide Working Group – Technical and the CQM Standard 180 User Guide Customer Communications Working Group. The CQM Data Specification Working Group did not begin work this year.</p>	
<b>Status &amp; Level of interest in the Committee</b>	<p>The CQM Committee Chair plans to support up to one committee and one WG meeting prior to December 31. The CQM Committee told the Committee that he has no idea what form, support, structure the WHPA will or might have in 2018. He is "Waiting and see what evolves" following that Dec. meeting. No further meetings planned or commitment to self-support.</p>
