## ▶ **VISION – Approved by Consensus Dec 6th**

“The Western HVAC Performance Alliance (WHPA) is an organization that will serve as a credible, reliable, influential, and effective resource for a broad-based community of HVAC stakeholders who have joined forces to transform the marketplace focused on the energy efficiency, environmental quality, and sustainability goals of California. Through stakeholder collaboration a united HVAC industry has the power to impact the present and the future.”

## ▶ **MISSION – Approved by Consensus Dec 6th**

“The WHPA will work as a guiding light for California stakeholders to educate and support present and future HVAC energy efficiency initiatives to benefit consumers. The organization will facilitate communication and action among a wide set of market actors through workforce education & training, emerging technologies, and industry-vetted HVAC programs.”
