

February 18, 2014

Dear WHPA members,

The following link was provided for WHPA members by CPUC Demand Side Analysis Branch Manager, Pete Skala. In addition to other useful information at this CPUC webpage titled "Ex Ante Review" are three "Fact Sheets" developed in response to requests by WHPA Executive Committee, Council of Advisors, Committee, and Working Group Chairs during the annual leadership conference held in Pasadena late last year.

[Click here](#) to view the Fact Sheets.

Mark Lowry
WHPA Chief of Staff
markl@performancealliance.org

The Western HVAC Performance Alliance was established in 2009. More than 185 organizations in 25 stakeholder categories are working together to help transform from the residential and small commercial HVAC industry to ensure that technology, equipment, installation and maintenance are of the highest quality to promote energy efficiency and peak load reduction. In this role the WHPA provides input to California Investor-Owned Utilities. For more information, contact info@performancealliance.org.
