

SCE Webinar 7/14: High Opportunity Programs or Projects (HOPPs), Including Public Buildings Retro-commissioning, On-Bill Financing, and Comprehensive Commercial HVAC

July 2016

Southern California Edison (SCE) invites you to a webinar providing an overview on three High Opportunity Programs or Projects (HOPPs) proposals related to Public Buildings Retro-commissioning; On-Bill Financing; and Comprehensive Commercial HVAC.

The webinar will take place on July 14th from 3:30-5:30 p.m. Please email [Anuj Desai](mailto:Anuj.Desai) if you have any questions.
